Work Experience

2016-08 - PRESENT

Senior Technical Media Producer

KHQ-TV, Spokane, WA

- Applied skills in film and media production to learn TV studio cameras, lights, and newscast production workflow.
- Adapted to the fast-paced TV production environment; excelled in all major aspects of live studio production and news video editing.
- Trained 10+ new recruits on studio production tasks and news video editing.
- Operate studio and lights, arrange studio set pieces for camera shots.
- Floor-direct studio talent, communicate time-cues and rundown changes.
- Plan camera shots with newscast directors and producers.
- Edit dozens of raw and pre-edited videos using Adobe Premiere Pro for hourly broadcasts.
