EXPERIENCE

Courtesy Clerk, Yokes Fresh Market **September 2018 – December 2018**

Pasco, WA 99301

- The customers at Yokes were highly satisfied with the customer service I gave. As a courtesy clerk, my duty was to bag customer groceries to their liking and accompany customers who needed assistance to their car and place the groceries where they would need it. If in an incident where something breaks in an aisle, it would be the duty of I, the courtesy clerk, to clean the area to prevent any customer or worker from being harmed. At Yokes, there are multiple courtesy clerks. I would have to switch bagging lanes with other Courtesy Clerks and I would have to retrieve carts from the parking lot with another Courtesy Clerk. I would also assist the Courtesy Clerk I was working with if they needed help.

Front of Store Worker, Target September 2019 – December 2019

Richland, WA 99352

- At target, I was a seasonal worker and was able to perform various tasks in a timely manner. I would scan items that the customers have given me and

bag up groceries or other items. Target would also have the front of store attendants scan through the isles to see if there were any messes that needed to be cleaned up. If there was a mess, I would go to the nearest cleaning station and obtain the supplies needed to clean up the mess. I would then sign my name on the clipboard in the cleaning station when I am finished cleaning. Similar to when I worked at Yokes, I would have to go outside in the parking lot and collect the shopping carts using a machine to collect as many as I can in one run through of the parking lot.

General Crew, Mcdonalds April 2021- September 2022

4810 Rd 68, Pasco WA, 99301

- Through my time working at Mcdonalds, I had to be very versatile. I would spend different days performing different tasks such as cooking beef patties, fries, and chicken. Other days, I would use the customer service skills I have obtained from Yokes and Target to greet the customer and assist them in having their order taken. I also had to deal with handling cash and learn how to use the Mcdonalds technology such as the computer, tablet, and kiosk. Most importantly, I had to obtain knowledge on the app.

Richland Field of Screams Actor, Red Dot Paintball October 2021

3430 Beardsley Rd, Richland, WA, 99354

- My first ever paid acting gig was at the Richland field of screams. I played a role where I had to be a monstrous zombie that was covered in blood. I had worked with this role for about a month, due to the fact that that's how long the project lasted for. Many people were frightened as I gave my zombie screeches and saw the sight of the fake blood on me.
